Reurge Motion Document 67 1 of 11

A Question of law and fact in the First
Amended Complaint for Court Interpretation
at the 60 day Marker of Stay

To the Honorable Judge of Said Court,

Now comes, Ms

Bobbie, A/K/A the Plaintiff in Civil Action 2:17-CV-18
and presents the basis for renewal of Document
67 Filed on 12/08/17 page 1-11.

Summary

The Plaintiff is in receipt of Document 67
of a motion filed in 2017 on the intent of
CMHC Policy G-51.11 w/attachment of WPATH

Standard of Care.

The Plaintiff in the year of our Lord, May 18, 2020 reurges the motion of 2017 for a hearing. Document 62.

- Your Honor, the Plaintiff has on file with the Court about 40 letters to the Defendants starting in 2015 asking informally what was the Standard of Care and treatment plan she was being treated under.
- It's true and fact that according to Document 62 p12 of 37, p20 of 117 the Plaintiff was re-examined on Oct 17, 2014 by Dr. Walter Meyer and was prescribed hormone therapy for a 12-month period with referral for SRS.
- Aug 4, 2015 Document 62, p17 of 37 when Dr. Kwanao treating physician McCowell Hunt of the Plaintiff didn't have a Standard of Care for the Plaintiff.
- Feb 2, 2016 Document 62-1 page 4 of 23 the question was asked to the Office of Professional Services.
- Document 62, page 17 of 37, Dr. Meyer's treating Specialist sent the Plaintiff Back to the Defendants for the Standard of Care

for Gender Dysphoria.

• Doc 62 page 17 of 37, a letter is sent to the Defendants.

• And May 7, 2020, here's the motion the Plaintiff filed with the Court in 2017,

• Discovery, 3 years after the 2017 motion, first request — What's the Standard of Care and treatment Plan the Plaintiff's being treated with?

• Your Honor the common theme in 2015 was the S.O.C and treatment Plan. → Time marches on, a Motion from 2017 shows up in 2020 and it's still relevant today. → What's the S.O.C and treatment Plan I'm under?

• Please hear the 2017 motion.

Your Honor, with the greatest respect OK, I don't know how you conduct a hearing but I want it graveyard quiet. The Clerk can Duct Tape everyone's mouth shut, there will be no interruptions in this hearing.

The Plaintiff wants to know what this thing says, what the intent of the Attachments are. The Office of Professional

Services said, "The treating Specialist must follow Policy G-51.11 with Attachments in treating you for this condition. OK, How?"

The Attachment WPATH, has all the reference of the 7th Edition WPATH that show SRS is safe and effective. The Defendants gave this to me, Ms Williams Practice Manager UTMB McCowell Unit 2013/2014. Now are those references TRUE?, or do we have a scam being pulled over me and you.

Your Honor, I'm sitting here, how did a nice girl like me get into this mess. I can't grow my hair long, castrated and no where near the SRS promised to me.

Please Hold that hearing.

So Prays the Plaintiff
